Foster Homes Needed!

Fostering a dog HELPS them through their rehabilitation process and prepares him/her for the next forever home. Dogs that come to us have often been family pets in the past, but released to the shelter (owner surrender) or found as a stray. We adopt (rescue) dogs from county shelters in OHIO and then they are placed directly into vet care. Foster care is the next step. FOSTERING helps HEAL their broken heart, REBUILD the bond of trust with humans, ESTABLISHES rules, routine, exercise, and REINFORCES "good manners and good behavior". We provide food, vet care, toys, bedding, and a crate (if needed) during the foster period. When Ready for Adoption they are showcased and promoted online :-)

A YEAR of SUCCESSFUL FUNDRAISING ...

- The "Annual Spaghetti Dinner and Auction" brought a sold out crowd in 2017hoping for the same in 2018 (scheduled **March 17, 2018, SAVE the DATE.**)
- The SHOE DRIVE (benefit for people and pets) resulted in your donations of over 2600 pairs of shoes (try storing all those !!) and the payout was a little over \$1000.
- Additional funds were raised from our participation in: TippCity Community Yard Sale, Community festivals and farm markets, GIVEWhereYouLive, Quarter Auction, Halloween Fest, Holiday PET Photos, LOVEWhereYouLive, and from individuals who have assigned their Kroger Community Rewards to DREAM.
- Special donations from CorvetteTroy, significant donations from individuals, and all the wonderful items donated to us for our auction and dinner helped tremendously!

Your support & assistance allows DREAM to continue SAVING LIVES !

YOU..... our volunteers, donors, fosters, transporters, sponsors, adopters, trainers, and facebook followers who share are ALL IMPORTANT to DREAM's rescue, rehabilitation and re-homing efforts. Facebook AND Email are the 2 resources used MOST OFTEN to SHARE information about: pets in need, adoptions, community events, fundraising challenges, and MOST RECENTLY the need to speak OUT about legal and dangerous issues facing our furry companions statewide; in particular, extended tethering in the cold and heat ! **Your SUPPORT, your VOICE and your VOTE MATTERS.**

It is the pet passionate COMMUNITY - YOU - who RESPONDS and provides crucial resources for saving lives and educating others about "responsible" pet care.

*No one can do everything, but everyone can do something,
AND TOGETHER we can change the world.*

**Can't Adopt
or Foster?**

- **Training** dogs and participating in our monthly "Meet & Greetings". Training is a weekly commitment to help the dog become familiar with you and the commands
- **Fundraising** - planning & managing EVENTS on a committee Committee typically meets 2 - 3 times before an event
- **Marketing support** - Distributing flyers, postcards, business cards, etc... or other media venues about D.R.E.A.M. and our community EVENTS.
- **Transporting** dogs - Every weekend a request is made for help to MOVE dogs OUT of shelters, and closer to a new home, family and/or rescue. If you would like to join our mailing list for "transport requests", let us know. YOU choose how far you want to drive ;-)
- **Fosters** - In a nutshell... it's helping the rescue become acclimated to a "home and family" environment. It's the opportunity to **prepare** him/her for the "rest of his/her life journey in a forever home". Full details on the FOSTER page at Dream4pets.org
- **Special projects** - Intermittently, we have an event or program that requires the help of "students for service hours"
