

Bigfoot

German Shep/Lab mix

12 - 16 months young pup, neutered, vaccinated, hw negative

Currently approx 40lbs... could be 80lbs when fully grown

Very friendly with adults and children

High energy and SMART: needs exercise, run & play time daily

Can entertain himself with a basket of toys

Great car rider

Learning to walk on leash

Needs training on basic commands

Found stray 2 months ago, no one claimed

SEEKING foster or adopter

If interested in fostering or adopting **BigFoot**....
