### Additional costs that may apply:

- For Enlarged Uterus Fee (EUF) which can be result of a dog that is pregnant, in-heat, overweight, had multiple litters, or has infection - under 30 lbs \$20, over 30 lbs \$25,
- Pregnant or in/heat cat \$10
- Crypt orchid (testicles have not fully descended) male dog/cat, cost of neuter plus full price of spay
- \$15 fee if pet is found to be spayed after sedation
- If a female dog or cat is found to be already spayed during surgery, the regular surgery fee will apply
- \$12 if a pet does not have written proof (Rabies Certificate piece of paper, not tags) of a current Rabies vaccine, it will be given day of surgery
- Other surgical procedures (additional fees may apply for IV fluids, anesthesia time, pain medication, E-collar)
- \$45 umbilical Hernia (\$20 if performed at time of sterilization)
- \$15 - \$30 dewclaw removal per side (dogs, rear only)
- \$10 fractious (difficult to handle/restrain) animal
- Health Certificates - \$15 with spay/neuter, \$25 without spay/neuter
- Disposal of Body - \$25
- Emergency Exam - \$20
- Cardboard Cat Carrier - \$5

All dogs will be examined before surgery. If older age or health are a concern, we may not do surgery if we feel they are not a good surgical candidate
