

# Cody

Cody is a 3 yr. Boxer/terrier mix, 50lbs, neutered male, current on vaccines, hw negative, flea free and micro-chipped. He can be a quiet, confident, very affectionate, AND very patient boy, and quite the explorer when outside! CODY has learned ALOT in the past 6 months; raised as an only child BUT has done well in his NEW routine of living with 2 other dogs, and interacting with many dogs during his play dates in daycare. He is BEST w/other dogs that have a calm demeanor, and seems to prefer dogs his size and females. Cody is house trained, knows SIT, SHAKE, BEG, DOWN, OFF, STAY, LEAVE it, and can walk well on leash without pulling, and crate trained too. His FAVORITE toys: rope toy, and JOLLY BALL with rope, Chuck-it ball (no tennis balls, please), AND Elk Antlers. Cody is happy to SHOW you his toys when he is ready to play. He loves to play hide & seek w/his person and sometimes he will talk when super excited. He is a very smart boy (loves training and quick learner). He will test his boundaries at times to determine if you are REALLY serious about the rules; so consistency and routine are KEY to building trust with him, and this boy's success in a new home. CODY is always ready for a CAR RIDE but moving windshield wipers - when he is in the car - make him nervous ;- ) He LOVES being inside or outside with his companions when it is warm, but on cold days he lives by the heater ! In early Jan, CODY had a medical emergency which required the removal of his right eye...he is now in healing mode and adjusting very well.... his charisma is returning more and more everyday !
