

# Cody

Cody is a 3 yr, Boxer/terrier neutered male, current on vaccines, hw negative, flea free and micro-chipped. He was an "only child" for the majority of his life. He is a calm, confident, very affectionate, and very patient boy. Cody has done well recently in his routine play dates with other dogs; he is good w/other dogs that have a calm demeanor and seems to prefer dogs his size and females. Cody is crate trained, house trained, knows SIT, SHAKE, BEG, DOWN, OFF, STAY, LEAVE it, and can walk well on leash without pulling. His FAVORITE toys: rope toy, and JOLLY BALL with rope, Chuck-it ball (no tennis balls, please), AND Elk Antlers. Cody is happy to SHOW you his toys when he is ready to play; sometimes he prefers you chase him. He loves to play hide & seek w/his person and sometimes he will talk when super excited. He is a very smart student (loves training) and quick learner; and he will test his boundaries at times to determine if you are REALLY serious about the rules. Consistent rules and routine are KEY with this boy's success, loyalty and commitment to you. CODY is always ready for a CAR RIDE but know that windshield wipers when moving make him a bit nervous ;-). He LOVES being inside or outside with his companions. Sometimes in his excitement he will jump up on people; he is learning the OFF command; we recommend children over 16 years of age.
