

# Deacon

DEACON is a 6 1/2 year young, Chocolate Lab... neutered and current on all vaccines, house trained and crate trained too. This special boy is full of energy ... so a **large yard, playtime and**

**walks are important and necessary routine** for him because....we all know "A tired dog is a *GOOD* dog" ! He loves toys, enjoys his own personal pool and probably loves splashing in a creek to if given the chance, lol. He would be a *GREAT* addition to a family that enjoys hiking, time spent outdoors to deplete some of his energy. He does love to give kisses and thinks he is a LAP dog, so be prepared for this boy's immense level of affection ;-) He is a great car rider (best tethered in back, because he thinks he needs to ride next to the driver). Deacon will do *BEST* in a home as an only dog. He certainly enjoys human companionship; adults and children over the age of 15 are recommended due to his size (*currently 76lbs of love and energy*). He shows a strong prey drive and is a very curious boy, so a fenced yard is a definite requirement. He loves nosework.... constant sniffing scents inside and out. He has a very loving and big personality w/everyone he meets. **ADOPTION APPLICATION** is on the **ADOPTME** page at [Dream4pets.org](http://Dream4pets.org) Deacon will be available for adoption at the end of **AUGUST**
