

DUNCAN

This 4 yr young, neutered male, is a 70lb mix of Lab, Great Dan and maybe Shepherd, is fully vetted, house trained, crate trained, hw negative, micro-chipped (like all of our adoptable dogs) and is **READY** for **ADOPTION early July**. DUNCAN is an incredibly awesome boy with a chilled, laid back disposition with his trusted human companions. He enjoys his walking routine about 3 times a week, 1 -2 miles (depending on the weather, of course), car rides, hiking, and just hanging with his family or sleeping in the shade or laying by your side at the fire pit. He will routinely play with his favorite toys, get the zoomies at times, watch squirrels from the sidelines, meander the yard, or use his time to play with his furry (female) canine companions. He has lived with a cat, and female dogs (larger and smaller), and a smaller male dog too; but, he can be selective about dogs. DUNCAN is very socialized with people, walks well on a leash, and knows the following commands: Sit, Stay, Wait, Come Here, Settle, OK go ahead, and Leave it. He is a very smart, loving, loyal, sensitive boy who thrives on training and exercise ;-) A fenced yard is a requirement, and we recommend children over the age of 10. If interested, send us an adoption application found on the ADOPTME page at DREAM4pets.org
