

Cody

Cody is a Boxer/terrier mix, 3 yrs young, neutered male. current on vaccines, hw negative. flea free and micro-chipped. Cody was an "only child" who lived with a cat for 2 years... .. no issues. He is a confident boy with lots of patience, good w/other dogs (lived beside other dogs with fenced yard and had no issues); he is not a fence jumper. Cody is crate trained, house trained, knows SIT, SHAKE, BEG, DOWN, OFF, LEAVE it, and can walk well on leash without pulling. Cody's FAVORITE toys: Chuck-it ball, rope toy, and JOLLY BALL with rope, his Elk Antler is a favorite chew toy. Cody is happy to SHOW you his toys when he is ready to play; sometimes he prefers you chase him , he loves to play hide & seek w/his person, and tug of war with his toys is always a fun event for him, and sometimes he will talk when super excited. Cody is a very smart student (loves training), he is a quick learner, and is always ready to take a CAR RIDE ! He LOVES being inside or outside with his companions, he prefers SHADED areas and cool concrete. Sometimes in his excitement he will jump up on people; he is learning the OFF command; due to his exuberance at times we recommend children over 10 years of age.
