

Lucy

Approx. age 6yrs. est. weight 70 -75lbs.

Spayed FEMALE and current on vaccines, flea, tick and heartworm free

House trained, crate trained, microchipped

Very loving and friendly to everyone; has not lived w/small children We recommend children over 12 due to Lucy's size/strength

Confident and dominant, loves attention and enjoys training

She pulls on leash when her curiosity peaks; responds well when corrected

Her favorite toys seem to be rope toys and bones We always recommend monitoring dogs with toys so they don't digest them

Dog friendly with proper introduction and monitoring Lives with 2 adult females (similar height), and 1 adult male (larger) in foster home

Cat friendly in foster home

Survived and is in recovery/healing mode from mastitis surgery

Adoption application located on the ADOPTME page at Dream4pets.org Fenced yard is required
