

Luke

LUKE (aka Duke) is a neutered male, German Shepherd, 5-6 years young, hw negative, flea free, and current on vaccines. He was an owner surrender due to neglect; but has made a remarkable recovery over the past 2 months due to wonderful vet care. This boy is handsome, intelligent, loving, obedient, enjoys being bathed, loves attention from his companions, is crate trained, house trained, enjoys tug of war, has shown wonderful discipline / behavior around people. He has been known to talk to his caretakers when excited or howl a bit when lonely. Luke seems to prefer the company of smaller dogs, dogs his size or larger are not a good fit. We have found Luke (aka Duke) to be a sensitive boy who will thrive on additional training, routine exercise, and "work". We truly believe this boy has definite and untapped potential to be a service or therapy dog!! A fenced yard is a requirement, and we recommend a family with adults (age 15 and older).
