**Additional costs that may apply:**

- For pregnant/in-heat dogs under 30 lbs \$20, over 30 lbs \$25,
- Pregnant or in/heat cat \$10
- crypt orchid (testicles have not fully descended) male dog/cat, cost of neuter plus up to full price of spay
- \$15 fee if pet is found to be spayed after sedation
- if a female dog or cat is found to be already spayed during surgery, the regular surgery fee will apply
- \$12 if a pet does not have written proof (Rabies Certificate piece of paper, not tags) of a current Rabies vaccine, it will be given day of surgery
- other surgical procedures (additional fees may apply for IV fluids, anesthesia time, pain medication, E-collar)
- \$45 umbilical Hernia (\$20 if performed at time of sterilization)
- \$15 - \$30 dewclaw removal per side (dogs - rear only)
- \$10 handling of a Fractious Animal (difficult to handle/restrain)
- Health Certificates - \$15 with spay/neuter, \$25 without spay/neuter
- \$25 disposal of Body
- \$5 for cardboard cat carrier
- \$20 Emergency Exam

All dogs will be examined before surgery. If older age or health are a concern, we may not do surgery if we feel they are not a good surgical candidate.
