

Rosebud

Rosebud was recently returned to DREAM after 7 years due to her dad's passing and her mom's declining health and need to vacate their home of many years. Rosebud is an 85lb shepherd/rott mix that is ALL SMILES - every day; a very social butterfly that knows no stranger and a girl that likes to be the "top dog". She is house trained, crate trained, current on all vaccines, and of course spayed and micro-chipped (like all our dogs). She would do well as an only dog OR with a laid back and calm older male or possible female; she can be a bit pushy at times (around other dogs) given her desire to be "velcro-ed" next to her human companions. She is very low maintenance girl, it seems she just wants to be part of a family again and have her presence recognized and appreciated. Due to her size and strength we recommend children over the age of 10. If interested in **adopting OR fostering** ROSEBUD, please send an adoption application found on the **ADOPTME** page at Dream4pets.org
