

# Moxie

**MOXIE** is approx 6 -7 yr young, spayed female terrier mix, current on vaccines, heartworm negative, crate trained, house trained, and flea/tick free. This girl spent much of her early years crated in a basement, but NOW (in foster care) **MOXIE** is finding great pleasure and joy in some new life adventures. When her furry friend visits she is **READY for some PLAYTIME**, or if/when the neighbor's goat gets loose she is quick to join the "chase team" ;-)

**MOXIE** is CALM and a bit independent, Foster mom says.....**MOXIE** is showing more confidence, courage, trust and joy in her new life; it is so great to see her "be a dog" instead of hibernating in her crate. ROUTINE is important to **MOXIE**, it helps her feel comfortable and safe. **She is very respectful of other dogs, always waiting for her turn.** We believe **MOXIE** would do BEST in a home with a dog of similar age, size and playfulness to help keep her somewhat active and limber. She recently experienced and discovered a LOVE for a pet massage and she always enjoys a car ride.

When INSIDE she may meander through house OR collect a few toys (elk antlers and her soft squishy toy ) and retreat to "her place". Her toys and blanket provide her with comfort and security . OUTSIDE, she with either: meander the yard, take a nap outside in the sunshine with you by her side, OR lounge on the front porch waiting & watching for an opportunity to "meet/greet" someone walking with or without a furry companion. She walks very well on leash, and will do a short sprint if she gets loose.

**MOXIE** may initially appear a bit shy, cautious and reserved, but once she feels you are trustworthy her personality will bloom. Recognizing her with a compliment seems to provide comfort and inspire a smile and/or tail wag. She is very comfortable with children and women; sometimes, it takes a bit longer to warm up to men. A fenced yard is preferred for our adoptable friends. Current location: Miami County, OH
