

Rosie

**READY for
ADOPTION**

ROSIE is currently in foster care (Miami County, OH), approx 4yrs young, spayed, and like ALL of our rescued pets... fully vetted, crate and house trained, flea/tick and heartworm free. In her past, she was used primarily for breeding - NO more for this gentle , oh - so -very quiet, calm, initially timid, young lady.

We consider Ms. ROSIE to be very much an introvert, and a bit timid of new life adventures outside of her yard and home. Other dogs don't seem to interest her. **ROSIE rarely barks, walks great on leash** when comfortable in her surroundings, **and** will chase a rabbit if it comes in her yard. **This wonderful girl is very low maintenance, just content to be** a "couch potato" companion to someone who enjoys a calm and quiet lifestyle and taking short walks when weather permits. She is rather independent, not much of a cuddler, will put herself to bed, loves to sleep in, not bothered by a vacuum. *And, when there is thunder and/or fireworks, she will sit with YOU with her head behind yr back or on your lap.* Her loyalty will be forever - when she has gained your trust, and, feels safe and secure in her environment and routine.

We know, ROSIE will thrive with a person who can provide patience, gentle guidance, and some butt rubs to help her feel loved, comfortable, safe and secure in her new life journey. A true treasure waiting for a forever home and family.

A fenced yard is always our preference for these furry companions. We recommend no children for this girl (at this time). Adoptions are usually within 120miles of Miami County.
