

Rosie

ROSIE is now spayed (no more breeding for her !), fully vetted, flea/tick free, hw negative, she is approx 4yrs young and about 55lbs. and **READY** for a **FOSTER** or **FOREVER** home.... her short term foster **ENDS soon** in Miami County, OH

ROSIE is a quiet, calm, true introvert, and a bit timid with unfamiliar places, people, and life adventures ((inside and outside the home). Other dogs don't seem to interest her, and can be a bit scary for her. We surmise.... Ms. **ROSIE** will thrive with someone who can provide **PATIENCE and GENTLE GUIDANCE** to help her feel comfortable, safe & secure with her new life journey. She is a girl that is happy and content to be a "couch potato" companion to someone who enjoys a calm & quiet lifestyle or taking short walks when weather permits.

ROSIE is crate trained, house trained, doesn't bark, doesn't run, little to no shedding, walks great on leash, and prefers a life of leisure. She may be hesitant to leave the back patio without encouragement, but will chase rabbits so a fenced yard is essential. We think, perhaps..... she **MAY** have spent her previous life living in a basement or apartment with very little time enjoying or experiencing a variety of life adventures. **WHO** will be the special someone to love, cherish and help this girl enjoy a brand new lifestyle?

We recommend no children - just yet... for this girl who has many new life experiences to learn. Our adoptions and fosters are usually within 120miles of Miami County.
